Note to Parents:

We will be making Santa Claus calls beginning Dec. 1st through Dec. 12th between 6 p.m. and 8 p.m. This program is for children in Madison County only, ages 10 and younger. NO LONG DISTANCE PHONE CALLS. It is important that this information be completed and is accurate. Santa will try two times to reach your child at home. (A Richmond phone number or one from ECU's Campus might show up on your caller ID). If Santa cannot reach your child, a message will be left on an answering machine. Santa will not make any promises concerning Christmas gifts. If there is more than one child in the same household and they wish to receive a call, please fill out a registration form for each child and staple the forms together so that Santa can talk to all children during the same call. We will do our best to make this a positive Christmas experience. Call 623-8753 if you have any questions.
